BIBLE POINT

Angels help & protect God's people.

Challenges

The next time you go on a car trip with your family pray before you go asking God to have His angels to protect you and your family on this trip.

The next time you hear a dog barking to protect its owners, thank God for sending His angels to protect you.

Say a prayer for each of your family members, and then remind them that they can trust God to take care of them all day, every day.

BIBLE VERSE:

"For He will command His angels concerning you to guard you in all your ways"
Psalms 91:11
